

Make Your Meeting Green!

Make a difference today by carbon balancing the travel emissions of your conference.

Here's How It Works:

Add carbon offsetting when you book your event

Delegates travel emissions are calculated

The same amount of CO₂ is balanced by protecting forests overseas

Simple. Verified. Impactful.

Pricing:

£1.00 + VAT per delegate offsetting 100 miles travelled

Why Offset Carbon?

Balance your delegates' travel emissions

Boost your ESG (Environmental, Social & Governance) credentials

Show your commitment to sustainability

Greener events, happier planet.
